

Dear partners,

We are delighted to invite you all to our Global July 2023!

The program will happen between July 17 and August 11, and consists of an interdisciplinary menu offered by our faculty, as well as by professors from our Partner Universities worldwide, given in English, Spanish, Italian or French. Students can freely choose what courses to attend, up to 4 courses, provided they are students from UFJF or from our partner universities. The courses are completely free of charge, online or on campus, and will be certified by UFJF. Please invite your students to participate! We would love to have them with us this year!

Applications will open on June 1st and go until June 25th. You can check out the courses and schedule on our website. Meanwhile, do not hesitate to contact us in case of any problems or doubts.

We hope to see your students there!
